D&D Technologies
World's most trusted gate hardware

CAUTION: MagnaLatch provides vertical & horizontal adjustment for correct alignment. It is the installer's/owner's responsibility to ensure the gate properly latches at all times. See Steps 11 & 12.

PRECAUCIÓN: MagnaLatch ofrece ajuste vertical y horizontal para una correcta alineación. Es responsabilidad del instalador/propietario asegurarse de que el pestillo de la puerta cierre correctamente en todo momento. Ver Pasos 11 y 12.

ENGLISH

Swimming pool fences, gates and latches cannot substitute for adult supervision.

If using this latch on a swimming pool gate, consult all appropriate local authorities for safety requirements.

The latch will operate properly only if installed and maintained in accordance with these instructions.

MAINTENANCE: REMOVE KEY FROM LOCK AFTER USE. Do not lubricate the latch with petroleum-based lubricants at any time; use only powdered graphite. Ensure all screws are tightened firmly and that the MagnaLatch® is kept free of sand, ice and other debris which could impair performance.
